Subject: Attendance to the Seed Summit 2014

Dear Dr. Faylon:

The Bureau of Plant Industry through the National Seed Industry Council and in cooperation with the Philippine Seed Industry Association will hold the Seed Summit 2014 on September 9-10, 2014 at the Conference Room of the Bureau of Soils and Water Management, Elliptical Road, Diliman, Quezon City.

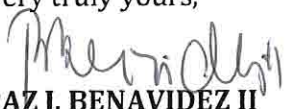

The main goal of this Summit is to gather the seed industry stakeholders and craft a Seed Industry Development Program for the next five years. The final output shall be presented to the Seed Council to serve as reference for the advancement of the seed industry.

Related to this, as one of the Plant Variety Protection Board Members, we invite you to attend the Seed Summit. We believe that your presence is vital and your inputs during the workshops are valued contributions.

We hope that you will accept this invitation and looking forward to be with you during the summit. Our Council Secretariat will regularly inform your office of the updates of this event. We also encourage you to register online and check the summit updates through this link www.seedsummit.bpinsicpvpo.com.ph

Thank you very much.

Very truly yours,

PAZ J. BENAVIDEZ II
Assistant Secretary for Regulations and
OIC, Director
